Experience

SDE Intern

Byer.in   05/2022 - 07/2022

- Worked as a team lead of 4 interns and we together developed a fully-fledged B2B e-commerce app, whose purpose was to connect retailers with manufacturers without the intervention of middlemen.
- This product has been running as the main product of Byer.

Software Engineer Intern

HockeyCurve Pvt Ltd   10/2021-2/2022

- Developed a full-stack task management application for our team to keep the up-to-date status of all ongoing projects, which is being currently used.
- Developed an ad generator, where ads can be generated by just entering the client id, dimension, and other parameters, by conditionally fetching data from the company API.
